You saw the blanks we approved yesterday. She let me keep one of them and is forwarding a dye vinyl disc on to the Agency. I will follow up with her on when she might have more blanks for Madden. Thanks for reminding me!! Nicki

Nicki,
What day this week was Marcella going to get new blanks for packaging for you to approve and samples for my display?
Also, could I get a copy of the creative brief you sent to agency?

Thanks so much.
Nancy
